Health and Safety Representative Training Course - One Day Refresher Course (A SafeWork NSW Approved Course)

Course Purpose:

This course will refresh the information and skills attained in the initial five day training course and assist HSRs to carry out their role and functions under the WHS legislation including:

- ◇ an understanding of the Work Health and Safety (WHS) legislation;
- ◇ an understanding of how it applies to their role as elected Health and Safety Representatives (HSR); and
- ◇ the additional knowledge and skills regarding their powers under the WHS legislation to issue Provisional Improvement Notices (PINs) and direct unsafe work to cease.

The course is intended to assist HSRs and deputy HSRs understand their roles and functions as to how the WHS legislation will influence health and safety outcomes in their workplace. The course aims to inform participants of the knowledge and skills necessary to fulfil their role as Health and Safety Representatives (HSR).

Aims:

The aims of this course are to provide HSRs with information and knowledge on:

1. WHS Act legislative framework
2. The role and functions of SafeWork and their interaction with HSRs
3. Duties and responsibilities of PCBUs, officers, workers and other parties under the legislation
4. The nature of the consultation process with workers as required of the primary PCBU by the Act
5. The purpose and formation of a workgroup (or workgroups) within the workplace
6. Election process for HSRs / Deputy HSRs and disqualification provisions
7. Health and Safety Committees (HSCs)
8. The entitlements, rights and protections of an elected HSR/Deputy HSR
9. Using negotiation, communication and problem solving skills and strategies as a HSR to represent a work group and to resolve work health and safety issues
10. Risk management and the use of risk controls, including the duties and responsibilities of various PCBUs under the legislation
11. How HSRs can use their functions and powers to contribute to risk management activities in the workplace
12. Provisional Improvement Notices and the right to cease, or direct the cessation of, unsafe work

Who can do the course?

The target audience of this course includes all elected HSRs under the WHS Act who have previously completed the approved initial five day HSR training course or the approved one day HSR Bridging Course.

Pre-requisites

Persons eligible for the SafeWork NSW HSR refresher training course are elected HSRs who have completed the approved five day initial training course (or the one day Bridging course in 2012).

Participants must present their original certificate as evidence that they meet this prerequisite.

Trainer All trainers meet the qualification and experience requirements set out by SafeWork NSW for delivering this training.

Duration 1 day - 8.30am to 5pm (7 hours face to face training plus breaks)

Course Fee Public Course: \$320 plus 10% GST (\$352 incl. GST)
On-Site Course: \$1400 plus 10% GST (\$1540 incl. GST) maximum 20 attendees
