NATIONALLY RECOGNISED
TRAINING

Who should do this training?

Managers, supervisors and any other persons who are looking for nationally recognised training that will demonstrate their competency in OHS Risk Management.

On completion of this training you can:

1. Enhance your career prospects with a nationally recognized Statement of Attainment
2. Apply OHS Law to your work situations
3. Contribute to the implementation of OHS consultation in your workplace
4. Contribute to your workplace's OHS Management System
5. Identify and then eliminate or control OHS risks in your workplace
6. Carry out incident investigations and make recommendations to ensure the incidents don't happen again.

How do you do it?

You study a section of your training materials in your own time and then complete an activity in your workplace based on what you have just learned. This is done at your own pace with telephone and email support from friendly and experienced Courtenell staff.
