One Day Specialised Health and Safety Committee Course

Aims **To provide participants with the necessary information to participate as a member of their Health & Safety Committee (HSC) and be knowledgeable about the role of the HSC including how the HSC may assist the PCBU to satisfy their duty to consult workers in matters of health and safety in their workplace.**

Objectives

On completion of this training, participants should be able to:

- a) Describe the WHS framework and the role and responsibilities of the main duty holders in the workplace and how they relate to making their workplace safe, healthy and compliant with WHS legislation and company WHS Policy.
- b) Describe what is involved in managing health and safety risks in their workplace and be familiar with how to use existing company risk assessment and reporting documentation and checklists.
- c) Explain the purpose and functions of their health & safety committee and how it aligns with the requirements of the WHS Act and company WHS Policy.
- d) Describe what consultation is, and how their Health and Safety Committee may assist with the PCBU's duty to consult with HSRs and workers on matters of health and safety in accordance with the requirements of the WHS Act and associated company Consultation arrangements.

Training Evaluation

By group and general discussions, case studies, and practical exercises. This course is not competency based and has no formal assessment.

Duration 1 Day

Trainer An experienced & qualified Health and Safety trainer

Cost \$ 1800 (1 day course base price) + \$1100 (course compilation and pre-delivery preparation) = \$2900 + GST (\$3190) maximum 20 participants
