

## Positive Workplace Culture Online Course

This course has been developed to provide an awareness of what a positive workplace culture is, as well as how to proactively identify and reduce risks that negatively impact on workplace culture, integrity and availability of information at their organisation.

### Learning Outcomes

This course will provide an awareness of the impact of workplace culture, as well factors that may impact on the development of a positive workplace culture.

The course will also provide an understanding of:

- why understanding workplace culture is vital to your organisation
- how workplace culture impacts on everybody in the work environment, and
- steps that can be taken to create, maintain or improve workplace culture

### Course features:

- professional voice over & video
- interactive activities
- mobile compatibility
- formative assessments, and
- a certificate of completion.

### Estimated Duration

30 minutes

### Target Audience

The course has been designed to provide training for all employees in an organisation.

### Cost

The cost is dependent on the number of people to be trained and the length of time they need to have access to the training.
