

## South Australian Work Health and Safety Legislation Online Course

This course has been designed to provide managers and supervisors with an introduction to some of the key requirements of the model work health and safety legislation.

### Learning Outcomes

This course is intended to provide an overview of the model Work Health and Safety Act 2012 (SA), the Work Health and Safety Regulations 2012 and the SafeWork Australia Codes of Practice.

During the course, we'll be looking at:

- key terms in the legislation
- key changes in the legislation
- the duties associated with particular roles in the workplace
- how the legislation is enforced, and
- strategies for managing workplace health and safety to help meet the requirements of legislation.

### Course Features:

- professional audio
- animation and interactivity
- multi-device compatible
- formative assessments, and
- a certificate of completion

### Estimated Duration

65 minutes

### Target Audience

All managers and supervisors of staff that are required to apply the model Work Health and Safety Act 2012 (SA).

### Cost

Cost is dependent on the number of people to be trained and the length of time they need to have access to the training.
