## Contractor Induction Online Course

This course has been developed to provide learners with a basic understanding of work health and safety (WHS) requirements, risk management, and injury prevention in the workplace.

### Learning Outcomes

After completing this course, you will have an understanding of:

- the roles, responsibilities and rights of duty holders
- WHS communication and reporting processes
- risk management principles
- common hazards and control measures
- safety information and documentation
- safe work practices, and
- how to respond to WHS incidents

### Estimated Duration

60 minutes

### Target Audience

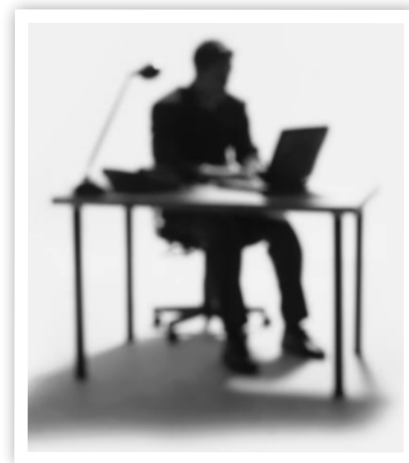

This course is aimed at all contractors in the Australian workplace.

### Cost

Cost is dependent on the number of people to be trained and the length of time they need to have access to the training.

### Course Features:

- professional audio
- animation and interactivity
- multi-device compatible
- formative assessments, and
- a certificate of completion
