## Confined Spaces Hazard Guide

This course has been developed to provide the learner with an understanding of the controls that should be applied to confined spaces in the workplace. This course has been endorsed by the Safety Institute of Australia.

### Learning Outcomes

This course will provide you with information about:

- confined spaces and work that may expose you to confined spaces, and
- controls that should be applied to reduce the risk associated with working in confined spaces.

### Course features:

- professional audio
- animation and interactivity
- multi-device compatible
- summative assessments, and
- a certificate of completion

### Estimated Duration

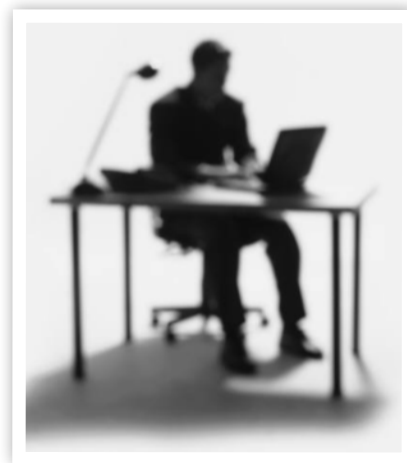

15 minutes

### Target Audience

This course is aimed at workers who are already competent and is used as a sign off to confirm competence.

### Cost

Cost is dependent on the number of people to be trained and the length of time they need to have access to the training.
