Injury Management for Workers Online Course

This course has been developed to provide the learner with an understanding of the injury management process, their rights and responsibilities regarding injury management, and the steps they need to take if injured at work.

Learning Outcomes

This course will provide an understanding of:

- what to do if you are injured or made ill in your workplace
- the rights and responsibilities of injured workers when reporting an incident in the workplace, and
- the processes and procedures used to get you back to work safely and quickly.

Estimated Duration

45 minutes

Target Audience

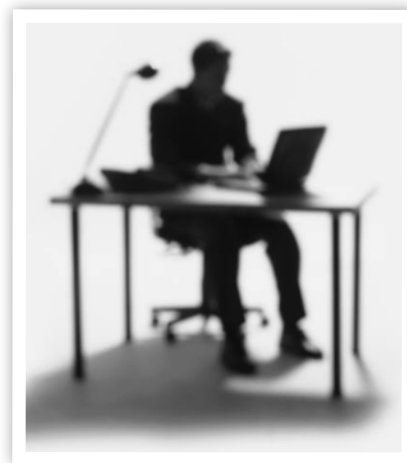

The course has been designed to provide training for all employees in Australian organisations.

Cost

Cost is dependent on the number of people to be trained and the length of time they need to have access to the training.

Course Features:

- professional audio
- animation and interactivity
- multi-device compatible
- assessments, and
- a certificate of completion
